

Changes to Campground Facilities and Charges

Now that the Campground has re-opened and we are taking bookings, we thought we would share with you some changes that have been made.

We now have a brand new, commercial grade, coin-operated washing machine installed in the laundry for camper's use. The washing machine costs \$4 and only accepts \$2 coins.

The dryer is still available on an honesty box system. The honesty box is located within the laundry unit and the cost per dryer load is \$5.

Our site prices have increased, but we are no longer charging separately for the use of showers. New prices are as follows:

Powered Site: \$25 per night

Non Powered Site: \$20 per night

If you should have any comments or queries, or require any other information, please do not hesitate to contact the office.
