

Changes to Horse Measuring Costs

While Measuring Dates for the 2023/2024 season are still being finalised, we can advise that there has been an increase in charges from the RAS as follows:

- First Measure increases to \$40
- Pre-registration measure increases to \$40
- Annual re-measure increases to \$25
- Youngstock re-measures increases to \$15
- Life measure increases to \$100
- Replacement (lost) certificates increases to \$100
- Replacement certificates (no columns left for more info) increases to \$40
- Temporary measuring certificate increases to \$20
- Change of Ownership, Change of Classification, Lease increases to \$30
- Subsequent Change of Classification increases to \$100
- Private Life Measure increases to \$150
- Private New Measure increases to \$95
- Private Remeasure increases to \$95

These charges will apply to the upcoming measuring season. As soon as the dates are finalised these will be posted on the website and Facebook pages.
