THEME

**The theme for the Home Industry
section of the 2024 Show is:**

Kiwiana

Kiwiana is generally seen as collectable objects or ornaments from New Zealand's heritage, especially from around 1950s and 1960s, that are seen as representing iconic New Zealand elements. These quirky things that contribute to a sense of nationhood include both genuine cultural icons and kitsch. Although the term is sometimes used to describe any and all New Zealand icons, it is more commonly used to describe pop culture items such as toys or branded foods. A few more serious national icons have become Kiwiana through heavy use in advertising and the souvenir industry. These include the Kiwi and the Tiki.
